

## **Directions to St. Paul's Cathedral, Worcester, MA**

Located at the corner of High and Chatham Streets in downtown Worcester - just one half block from Main Street.

Take I 290 to Exit #13, Rt. 122A, Kelly Square Exit.

**If coming from the East**, at the end of the ramp, take a right.

**If coming from the West**, at the traffic light at the end of the ramp, take a left.

- Follow street into Kelly Square proceeding diagonally across, taking Madison Street, located between the Gulf station on your left and the Speedway station on your right.

*(For directions to the Cathedral's handicap entrance, continue with Italics below.)*

Follow Madison St. through 3 traffic lights.

Following the 3<sup>rd</sup> traffic light, which is at Main Street, take your next right onto Murray Avenue, which becomes High Street at the light.

Proceed through the traffic light and up the hill. The rear entrance to the Federal Parking Garage is on your right just before the Cathedral, which is also on your right. The garage may also be accessed from Main Street.

### ***Directions to Cathedral's handicap entrance:***

*At the **second** light, which is at Southbridge Street, go right one block and make a left turn at the lights onto Myrtle St. and then a right turn at the next light onto Main St.*

*Take the first left onto Chatham Street.*

*The Cathedral will be on your left and the Handicap Entrance is on the left side of the building as you face the Cathedral where passengers may be discharged.*

*When you enter the handicap door there is an elevator which will take you up to the main level.*

# IMPORTANT PARKING ADVISORY – Weekends and Evenings ONLY

Revised May 4, 2013

Cathedral of St. Paul, 38 High St., Worcester, MA 01609

Please know that we look forward to welcoming you to Saint Paul's Cathedral. As you prepare for the celebration, please **inform those who will be coming from your parish concerning parking in the neighborhood.**

Park only in the areas marked **P**. There are parking garages in the area. The one directly behind the Cathedral may be accessed from Main Street. There are also parking lots: behind the rectory, between Houchin Ave. And Irving St., and around the Fanning Building off High St. or Chatham St. All other lots are **privately owned and not under the control of the Cathedral**. Please advise your parishioners that those parking in the upper or lower Denholm lots directly across from the front of the Cathedral, as well as the lot on Chatham St. closest to Chestnut St., will almost certainly be **TOWED AT THE OWNER'S EXPENSE**.

Cars with government issued handicap stickers may be parked in the six spots adjacent to the Handicapped Entrance in the Chatham Street Courtyard. (An elevator is available at this entrance.) Please do not block entrances and exits.

Hopefully this information will help keep an unfortunate towing from ruining a great celebration!
